## The Most Beautiful Hotel Bathrooms in the World

By Lindsay Cohn    *Updated on October 29, 2018*

While you may reside in cramped quarters in real life, on vacation it's all about livin' large—and that includes **the bathroom**. Whether you fancy a spa-like sanctuary with a steam shower or an alfresco retreat with an **outdoor tub**, we've got you covered with some seriously jaw-dropping setups. Of course, there's plenty of state-of-the-art toilets and luxurious materials in the mix. And you might even spot a crystal chandelier or two.

From **Amsterdam** to **Zambia**, these are the most beautiful hotel bathrooms in the world.

### Vista Palazzo Lago di Como

The reincarnation of a 19th-century Venetian-style palazzo, this boutique property opened in June 2018 to the delight of couples everywhere. Italian craftsmanship is on display in each of the marble-clad bagnos, enhanced with enticing tubs and unbeatable lake views.
