Though crammed with hotel options, there are several properties that stand out from the crowd for their over-the-top opulence and masterful service. From the grande dames to the modern masterpieces, the chic city newcomers and the historical private palazzos for exclusive hire, these are the finest properties Lake Como has to offer.

VISTA Palazzo Lago di Como

Como's eponymous main town received its first five-star property with [VISTA Palazzo Lago di Como](#). Piloted by the Como-based Lario Hotels group, this new, swish hotel delivers refinery and modernity to what most consider Lake Como's first port of call. The marble bathrooms in stones of jade green and sun-kissed yellows are simply stunning. Don't miss the nautical-inspired rooftop bar.
