WHY IT RATES: *Vista Palazzo Lago di Como will be the city's first and only five-star luxury property and will offer sweeping views of Lake Como —Mia Taylor, TravelPulse Senior Writer*

Despite having been a world-class destination since the Roman nobles began building vacation villas overlooking Lake Como, the ancient city of Como has never been the site of a five-star hotel.

That void will be filled with the June 6 debut of the Vista Palazzo Lago di Como as the city's first and only five-star luxury property.
